WORK EXPERIENCE

Klasen Development LLC   **Green Bay, WI**
Frontend Developer   *August 2022 – Present*
- Use JavaScript, CSS, and HTML to build websites aligning to client visions.
- Code all sites for three responsive screen sizes – mobile (<850px), small (<1400px), large (>1600px)
- Study and implement technologies like React.js, Sass, and Node.js to write durable, robust code
- Use high-quality documentation/commenting to create readable codebases for other developers and technical audiences: Write code with a reviewer in mind.
- Selected Portfolio – All code is open-source on GitHub: Klasens (github.com)
  - https://newsify.work (News Article Aggregation App)
  - https://maxamillennial.org/ (Author Portfolio)
  - https://sambodhimusic.com (Musician Portfolio)

Schneider National   **Green Bay, WI**
Carrier Relationship Manager (Freight Broker)   *June 2021 – July 2022*
- Built and maintained high-speed sales relationships and generated $120,000 of monthly average net-revenue while exceeding the company defined sales-commission cap month/month
- Beta-tested and debugged proprietary MasterMind™ Transportation Management Software (TMS) for usability and accessibility during organization-wide transition to new TMS software

University of Wisconsin-Milwaukee School of Cont. Ed   **Milwaukee, WI**
Communications Specialist   *2014 – 2020*
- Primary writer for all 41 school-wide certificate redesigns, Copy Sample: https://uwm.edu/sce/certificates/data-analysis-certificate/

LEADERSHIP EXPERIENCE

MasterMind™ TMS Beta Tester   **Green Bay, WI**
Departmental Beta-tester   *April 2022 – June 2022*
- Served as an on-the-ground, subject-matter-expert for other freight brokers and team administrators during the full department launch and switch to new TMS software
- Worked with multiple teams of brokers and staff to integrate new TMS practices into their start-of-day and end-of-day procedures while attending weekly meetings to provide technical feedback on software features, bugs, and improvements

UW-Milwaukee League of Legends Esports Team   **Milwaukee, WI**
Team Captain   *2015 – 2017*
- Recruited new players into school Esports pipeline while managing team events and practices

EDUCATION

University of Wisconsin, Milwaukee   **Milwaukee, WI**
